Summary

Published : Feb 05, 2025

Description

Based on our de Havilland Campus, single rooms have everything you need just a stone's throw from Hertfordshire Sports Village, the Weston Auditorium and the new Enterprise Hub. You'll also be close to business, education, humanities, law and sports lectures and facilities. Each room has it's own en-suite bathroom, desk and storage space. You'll enjoy a large shared kitchen space (which is deep-cleaned for you twice per year) to entertain your friends and relax with your flatmates. There's also the option to live in a single en suite room housed in an area exclusive to postgraduate students.
