### Description

Surrounded by award-winning parks & gardens and boasting plenty of outdoor space, Cassiobury Development provides exceptional and unparalleled apartment living. The brand-new rental apartments are well-connected - a short drive from the motorway and walking distance of Watford station, making your commute quick and easy. You can be in central London in half an hour! Choose to make one of the apartments your new home, offering beautiful and practical spaces, custom designed for you to enjoy. Many also benefit from private balconies and far-reaching views. With designer finishes like natural stone worktops, modern soft close cabinetry and Elfa storage solutions. Every detail has been considered from the chrome light fittings down to built-in USB sockets. The apartments brighten your everyday - from the moment you wake up to the minute you come home. The outstanding amenities provide you with plenty to do, indoors and out - club lounge, business lounge, and fitness studio are all included in your rent! Get to know your neighbours at one of the exclusive resident events. The state-of-the-art fitness centre offers residents the perfect workout without having to travel. So, cancel your expensive monthly gym membership! Whatever your day looks like, you'll come home to a level of service and resident-focused hospitality that redefine rental apartment living! Key Features: Walk-in wardrobe Brand-new apartments with outstanding interiors, and great amenities Space to work - working from home lounge. Places to relax - fitness centre, club lounge, cinema room. Light and airy open-plan living, dining, and kitchen areas Hi-spec, fully-integrated kitchen with state-of-the-art Samsung appliances Stylish bathroom suites with deluxe fixtures and fittings Double bedrooms with ample storage space Private balconies with far-reaching or garden views\* Fitwel accredited scheme - prioritising the health and well-being of residents Wifi included in your rent' \*\*\* The development features a number of different buildings and apartments, with a variety of layouts and aspects, all within very close proximity.
